

MOTORIZED DRAPERY SYSTEMS

**ADJUSTABLE MOTORIZED
 DRAPERY TRACK KIT**

Just extend to window size & install!

Pre-assembled kits with motor, remote control, wall and ceiling brackets, masters and carriers.

Features:

- No custom assembly required.
- For pinch pleat, split opening drapery with a maximum fabric weight of 55lbs.
- Motor can be installed on either side of the track.
- Controlled by a handheld wireless remote control (included), or simply by a gentle tug on the curtain.
- Open and close positions are set automatically, with flexibility to be adjusted via remote control for desired look.
- Built-in Z-Wave+ technology allows for simple connection to Smart Home devices for voice and app control (requires use of a Smart Hub, item# DM7950 - not included in kits.)

**Pre-assembled kits are available in two sizes
 to fit most windows:**

WIDTH	ITEM#		
67" - 118"	DMP67-118		
86-1/2" - 157"	DMP86-157
