

ADJUSTABLE MOTORIZED DRAPERY TRACK KIT

No custom
assembly
required!

*Just extend to
window size and
install!*

*New in stock,
available for
immediate
delivery!*

Everything you need to complete your project on time, while staying on budget!

- For pinch pleat, center split draperies.
- Max fabric weight capacity: 55lbs.
- Motor can be installed on either side of the track.
- Controlled by a handheld wireless remote control (included), or simply by a gentle tug on the curtain.
- Open and close positions set automatically, with the flexibility to be adjusted via remote control to fulfill your desired look.
- Built-in Z-Wave+ technology allows for simple connection to Smart Home devices for voice and app control (requires use of a Smart Hub, DM7950 – not included in kits.)

Pre-assembled kits.

All-inclusive with wall and ceiling brackets, motor, remote control, and carriers.

Available in two sizes to fit most windows:

DMP67-118 / from 67" to 118"

DMP86-157 / from 86-1/2" to 157"
