(\*1) **Finished Width:** Please note that **NO** deductions will be taken from the system WIDTH as specified on this order form.

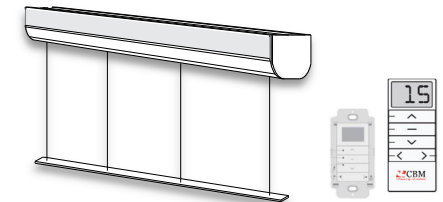

(e.g., if the system width is specified at 36" then it will be manufactured exactly at 36" finished width)

(\*2) **Finished Height:** Lifting pulleys come standard with 136" of lifting cord pre-attached.

(\*3) **Control Wand Drop:** Choose from standard wand lengths (tassel included): 20" / 30" / 40" / 50" / 60" / 70" / 78"

(\*4) **Weight Bar & Roman Shade Tubing:** available in various sizes for an additional cost (refer to page 64 for selection & pricing).

### Special Instructions:

*This Roman Shade System can be  
 MOTORIZED -  
 please see page 63 of 2022 catalogue for  
 details & pricing.*
