

modern design

is an increasingly popular direction for decorative drapery hardware. Condos and lofts, minimalist window treatments, bright open spaces... all characteristic of today's effortless yet graceful lifestyle. Mirror chrome is the perfect finish for these contemporary, unadorned finial designs. They are light and bright and add that special gleam to accent the simplicity of the overall decor. For a more subtle effect, choose **modern design** distinctive drapery hardware in matte finish plated pewter. Several finials in this collection are also available in many of the standard Curtains Up® finishes. The **modern design** collection is fresh yet classic, sophisticated and universal.
